Year wrap-up

This academic year is coming to an end with many success stories and results. **Our pupils have not only developed academically, but also in their personal and social development.** We have been on many exciting and enriching trips and have seen pupils and staff stretching their comfort zones. There are many amazing memories from these experiences.

We are also pleased that **we have offered a range of specialist therapies and all of our pupils have benefited from this targeted support.** Our therapy offer is Speech and Language Therapy, Occupational Therapy, Art Therapy and Music Therapy. This is in addition to the **mentoring all pupils receive** fortnightly.

The relationships between parents and school are strong as well as the relationships with our different partnerships and the local authorities. We thank you for your support this academic year and we look forward to September.

Our Year 11s have secured their next steps for September and are waiting for their exam results. We wish them the best of luck!

We hope you all have a safe and relaxing Summer! We look forward to welcoming the children back in September.
